

SUNRISE EDIBLE OILS PRIVATE LIMITED

Corporate Profile 2025

Executive Summary

Sunrise Edible Oils Private Limited is a leading edible oil manufacturer engaged in sourcing, refining, packaging, marketing and distribution of premium cooking oils. The company serves households, retailers, food-service businesses and industrial customers through a diversified product portfolio and a strong distribution network across multiple regions.

About the Company

Founded with the vision of delivering safe and healthy cooking oils, the company has evolved into a fully integrated edible oil enterprise. Its operations include procurement of oilseeds and crude oils, refining, quality assurance, packaging and distribution.

History & Milestones

2005: Company established. 2008: First refining facility commissioned. 2012: Regional brand launch. 2016: Capacity expansion. 2020: Digital distribution platform launched. 2024: Expanded export operations.

Vision & Mission

Vision: To become a trusted household brand in healthy cooking oils. Mission: Deliver superior quality products while maintaining sustainability and customer satisfaction.

Products

Refined Sunflower Oil, Refined Soybean Oil, Groundnut Oil, Mustard Oil, Rice Bran Oil, Palmolein Oil, Blended Oils, Institutional Packs and Private Label Manufacturing.

Manufacturing & Operations

The company operates modern refining facilities equipped with quality control laboratories, automated packaging lines and warehousing infrastructure. Production processes focus on purity, consistency and food safety compliance.

Supply Chain & Distribution

A network of distributors, wholesalers, retailers, supermarkets and e-commerce channels ensures efficient product availability across markets.

Quality Assurance

Every batch undergoes testing for purity, moisture, contaminants and quality parameters. The company follows rigorous food safety procedures and continuous monitoring.

Sustainability & CSR

Programs include responsible sourcing, waste reduction, energy efficiency initiatives, community health camps and farmer engagement programs.

Financial Performance Overview

The following figures are illustrative and demonstrate how a company profile may present performance trends.

Five-Year Financial Snapshot

FY21 Revenue: █150 Cr | Net Profit: █8 Cr
